LOWER SCHOOL DISTANCE LEARNING PLAN

Priorities & Considerations

Each daily activity should take no more than 20-25 minutes for Lower School students.
New content will be taught as follows:

Monday: Math/Science
Tuesday: Reading/Bible
Wednesday: Math/History (Social Studies)
Thursday: Reading/Writing
Friday: Fine Arts and Chapel (Mrs. McMillon, Mrs. Thompson and Mr. Rhodes will make chapel videos for your children to watch! COVID-19 isn't going to keep us from worshipping our Lord and Savior!)

- Every class will have a learning plan posted by 9:00 am.
- Assigned work will be due before midnight each Friday of the Distance Learning week. Accommodations for extended time will be granted to the appropriate students receiving LLC accommodations through Mrs. Gattelaro.
- Teacher office hours will be each work day from 9:00 am - 11:00 am and 1:00 - 3:00 pm. However, please don't hesitate to reach out to the classroom teacher for any help you may need with the activities at ANYTIME.

Student Services:

- LLC Services ~ Mrs. Gattelaro will email parents of LLC students and give more information regarding the continuation of support specific to her students.
- Dr. Snear is available for virtual counseling if needed. She will be sending an email with detailed directions on how to make an appointment for video or phone counseling.
- Dyslexia Services will continue in an online format with Mrs. Stockton. She will communicate with students as needed via email with more information.
- Please update your RenWeb contact information for regular updates. If you need assistance, please reach out to Mrs. Littleton.
